

It is easy to participate in our Green version of Library Bingo. Get a Bingo in any direction, make sure your squares are filled out completely. Completed forms can be turned in at the Circulation desk (feel free to play more than once), and are due at the Library by Friday, May 4 at 5:00 pm.

Name _____

Phone number _____

I donated gently used items to the Friends of the Library Book Sale. (Spring Sale starts Sat. March 24, 9-3!)	I attended the 2012 Community Read lecture at Gordon College's A.J. Memorial Chapel on March 29 from 7:30-8:30 pm.	I watched the sunrise or sunset.	I weatherized by weather stripping a door, locking the windows, or covering the air conditioner.	I built or made something with instructions from a Library book or magazine.
I identified a star constellation.	I read <i>Farewell to Manzanar</i> by Jeanne Wakatsuki Houston. (Our Community Read tie-in book.)	I attended the _____ _____ 'Green Grant' Program at the Library.	I called an organization or company to remove my name from their mailing list.	I read the 2012 Community Read book <i>The Mangrove Tree</i> .
I walked or rode a bicycle/skateboard instead of taking the car.	I saved a document instead of printing it.		I composted an item instead of adding it to the trash.	I used the Library's Department of Conservation and Recreation 'Parks Pass' or the Zoo New England Pass.
I visited the Director's blog at hwlibrarygogreen.blogspot.com	I checked out the Kill-A-Watt device from the Library.	I used one of the featured State electronic resources on the 'Go Green' webpage.	I repurposed or found a new use for an item.	I bought something locally made or produced.
I greeted the worms in the Director's vermicomposter and named one.	I planted something in: a pot, the yard, and/or the garden.	I checked out a book from the Green Grant display.	I picked up litter & disposed of it properly.	I repaired or reused something.

This project is being funded through the Mass. Board of Library Commissioners with funds from LSTA (Library Services and Technology Act), a Federal source of library funding provided by the Institute of Museum and Library Services.
