

Jungle Encounters: Educating to Conserve Wildlife

The "Going Green" Show

Wednesday, June 30, 2010 at 6:30PM

Meet five live animals, learn about their habitats and how we can help to conserve them, and witness the behaviors they use to survive in the wild! At the end, get up close and personal with some of the wild stars!

This program is open to the public at no charge. No pre-registration is required.
