

**TINKERS' WORKSHOPS*

**Tuesdays, Aug. 17,
Sept. 21, & Oct. 19
at 6:30PM**

**COME HAVE
FUN!**

Calling all **fiddlers, menders**, and those **just curious** about how things work and how to repair torn, worn, or broken objects. **No previous experience or expertise required!**

Dust off those items that you've shoved in a drawer or relegated to the garage and start **tinkering!** Bring **tools**, if you have them, a project just started or half-finished, and an interest in learning how to repair or re-purpose your favorite **gadget**, sweater, **clock**, or piece of furniture.

We'll share **tips**, tricks, stories of successful **fixes** and of course, the inevitable **tinkering** mishaps.

***These workshops are part of our Community Read and Co-Sponsored by HW GREEN. *Tinkers* Author Program with Paul Harding to be held on Tuesday, Nov. 16 at Gordon College.**
